I. Policy Purpose

The purpose of this policy is to inform Southern University Law Center (SULC) faculty and students of the minimum number of classes that a student must attend and the daily preparation required for a course in order for the student to receive a passing grade in the course.

II. Policy Scope

This policy applies to faculty and students.

III. Policy Compliance

This policy identifies the minimum number of classes that a student must attend and the daily preparation required for a course in order for the student to receive a passing grade in the course.

IV. Policy Definitions

Not applicable.

V. Policy Development and Implementation Procedure

The policy was created by the SULC faculty to establish the minimum number of classes that a student must attend and the daily preparation required for a course in order for the student to receive a passing grade in the course. The Vice Chancellor for Academic Affairs will be charged

with implementing and enforcing this policy.

VI. Policy and Applicable Procedures

Regular class attendance and adequate daily preparation for a class are mandatory for all students. Attendance of eighty (80) percent of the scheduled classes is a prerequisite for credit in a course. Students who do not attend 80 percent of the scheduled classes will be administratively withdrawn from the class ~~and a note will be made on their transcript that the withdrawal was due to excessive absences~~. Professors have the discretion to create an attendance policy that requires more than 80 percent attendance.

As a matter of SULC policy and because of ABA Standard 310(b), students must devote at least two hours of out-of-class work for every hour of in-class instruction.

VII. Policy History and Review

This policy was created and became effective prior to the implementation of the uniform policy format which was implemented in 2019. The policy is subject to a five-year policy review cycle and shall be reviewed by the Vice Chancellor for Academic Affairs and any changes will be submitted to the faculty for consideration.

VIII. Publication of Policy

This policy is published on the Southern University Law Center website at <https://www.sulc.edu/page/sulc-policies>.

IX. Policy Approval

This policy was approved by the Faculty on May 28, 2021.
