

SULC COVID-19 HEALTH AND WELLNESS REENTRY PLAN FALL 2021

Updated: August 2, 2021

SOUTHERN UNIVERSITY LAW CENTER

COVID-19 HEALTH AND WELLNESS GUIDELINES

In accordance with local, state, and federal guidelines, and guidance from the Centers for Disease Control, the Southern University Law Center implements the following guidelines to help protect students and employees (e.g., faculty, staff, and administrators) from contracting COVID-19 and to help slow the spread of the disease at the Law Center. These considerations are designed to meet the unique needs and circumstances of the Law Center and local community, considering its size, student body, and its program of legal education. These considerations are meant to supplement—not replace—any state and local health and safety laws, rules, and regulations with which the Law Center must comply.

THE STATE OF COVID-19 IN LOUISIANA

Louisiana now has the highest growth rate in cases per capita in the United States of America.
As of August 2, 2021

Louisiana Coronavirus (COVID-19) Information

New Cases 11,109	New Deaths 27	COVID Patients in Hospitals 1,984
Total Cases* 552,787	Total Deaths* 11,026	COVID Patients on Ventilators 213

Those not fully vaccinated account for...

90% of cases from 7/15 to 7/21	85% of deaths from 7/15 to 7/21	90% of current COVID hospitalizations
--	---	---

THE DELTA VARIANT

- The Centers for Disease Control estimates that the delta variant accounts for roughly 84% of new COVID-19 cases in Louisiana.
- The delta variant is significantly more transmissible than the first strain of COVID-19 - it is estimated to be 50% more transmissible than the alpha variant, which was already 50% more transmissible than the original virus.
- With the delta variant, there is a shorter incubation period between being exposed and developing symptoms- likely due to the higher viral load.
- Someone who is sick with the delta variant produces a lot more of the virus, 100 to 1,000 times more virus in your nose compared to the prior strains and variants- explains why it is more contagious and has a shorter incubation period.
- On August 2, 2021, Governor Edwards reinstated the mask mandate across the state of Louisiana due to rise of COVID-19 cases and hospitalizations.

TEMPERATURE CHECKS AND HIGH BODY TEMPERATURES

ON-SITE ASSESSMENTS

Each day upon entering the Law Center, all students, faculty, and staff must submit to a temperature check via thermometers or thermal imaging cameras.

- Anyone identified as having temperatures greater than **100° F** will be subject to additional temperature checks to verify the temperature is correct.

The Baton Rouge campus is no longer conducting temperature checks upon entering the campus.

STUDENTS, FACULTY, AND STAFF WITH FEVER/HIGH BODY TEMPERATURES

Students with fevers/high body temperatures will be further assessed. Depending on the outcome of the assessment, students may be required to leave the Law Center and test negative for COVID-19 prior to returning to the Law Center.

TESTING

COVID-19 TESTING

Who must be tested?

Symptomatic students, faculty, and staff must leave the Law Center immediately and must receive negative test results prior to returning.

- Symptoms include fever, coughing, sneezing, shortness of breath, etc.

Exposed students, faculty, and staff may not enter the Law Center and must test negative for COVID-19 prior to returning to the Law Center.

- Exposure is when a person has been within 6 feet of a positive case of COVID-19, for more than 15 minutes during the 48 hours prior to symptoms.

COVID -19 TESTING

Walgreens Testing

The Louisiana Department of Health and Walgreens are partnering to provide COVID-19 testing by appointment at select **Walgreens** locations. These sites more than double the available 7-days-a-week testing locations for people to receive a test. LDH-Walgreens locations offer COVID-19 testing at no cost to the patient, though insurance information may be requested. You will not be billed if your insurance denies coverage.

Testing is available to people ages 3 and older. Appointments are required; make yours at walgreens.com/COVID19testing. Bring your personal ID to your appointment, as well as insurance information if you have it. Test results are available within 72 hours of test collection: by email if negative, or by email and a phone call if positive.

Review Louisiana Dept. of Health website for testing locations.

LAW CENTER SAFETY MEASURES

HAND HYGIENE AND RESPIRATORY ETIQUETTE

Students are encouraged to wash hands frequently with soap and water for at least 20 seconds. If soap and water are not readily available, hand sanitizer that contains at least 60% alcohol can be used.

Students, faculty, and staff are encouraged to cover coughs and sneezes with a tissue or use the inside of your elbow. Used tissues should be thrown in the trash and hands washed immediately with soap and water for at least 20 seconds. If soap and water are not readily available, hand sanitizer that contains at least 60% alcohol can be used.

SOCIAL DISTANCING

Students must practice social distancing throughout the Law Center in all areas: Law Center atrium, library, classrooms, sitting, eating, talking. Reminders will be placed on floors and signs throughout the Law Center.

4 FEET

MANDATORY FACE COVERINGS

- All students, faculty, and staff are required to wear cloth face masks or face coverings in the Law Center at all times.
- Students may be allowed to temporarily remove face coverings to speak in class.
- Each student will be provided with a reusable cloth face mask.
- Please contact Dorothy Parker at dparker@sulc.edu if a medical condition prevents you from wearing a face mask/covering.

MANDATORY FACE COVERINGS

Keep the following rules in mind when wearing a face covering:

- Wash your hands before putting on your face covering.
- Put it over your nose and mouth and secure it under your chin.
- Try to fit it snugly against the sides of your face.
- Make sure you can breathe easily.
- Keep the covering on your face the entire time you're in contact with others.
- Don't put the covering around your neck or up on your forehead.
- Don't touch the face covering, and, if you do, wash your hands.

Students who fail to comply with one or more verbal warnings to wear a face covering at the Law Center may be required to convert to the virtual learning platform and/or be subject to discipline under the Code of Student Conduct. (This does not apply to students with ADA accommodations that exclude them from the mask mandate.)

SIGNS AROUND LAW CENTER

Please observe all signs and instructions around the Law Center.

ELEVATOR USE

Only two individuals on elevator at one time.

The seal of the Southern University Law Center is a circular emblem. It features a central figure of a pelican feeding its young in a nest. The text around the inner border of the seal reads "SOUTHERN UNIVERSITY LAW CENTER" at the top and "Established 1947" at the bottom. The outer border of the seal contains the text "SOUTHERN UNIVERSITY" at the top and "BATON ROUGE, LOUISIANA" at the bottom.

IN-PERSON CLASSROOM ATTENDANCE AND ETIQUETTE GUIDELINES

CLASSROOM SEATING

- Student seating complies with social distancing guidelines for IHE.
- Students will be seated 4 feet apart.
- Each seat is equipped with protective plexiglass shields.
- Classrooms are cleaned at least once daily.
- Classrooms are also equipped with supplies to assist students with cleaning their own seating area.

ASSIGNED STUDENT SEATING

Students are required to sit in the same seat the entire semester. This will help the administration determine with whom a student has come in contact in the event a student contracts COVID-19.

MASKS MUST BE WORN IN CLASS

Students and faculty are also required to wear face coverings during all in-person class sessions. Students who fail to comply with one or more warnings to wear a face covering in class, may be required to convert to a virtual learning platform. Students may temporarily remove the face covering to speak in class when necessary.

In lieu of a face covering, professors may wear a protective face shield in class, when lecturing, provided that he or she remains at least four feet away from students or behind a protective plexiglass shield.

PROFESSOR'S CONDUCT IN CLASS

Classroom podiums are outfitted with protective plexiglass shields. Classrooms also have portable plexiglass shields professors may use to walk around the classroom.

In lieu of a cloth face covering, professors may wear a protective face shield in class, when lecturing, provided that he or she remains at least six feet away from students or behind a protective plexiglass shield.

ATTENDANCE POLICY/GUIDELINES

Attendance of 80 percent of the scheduled in-person classes is a prerequisite to receive credit in a course. This policy will be enforced during the fall 2021 semester. Attendance will be taken in the customary manner by each professor.

- Symptomatic students should stay at home.
- Virtual instruction will be provided to students quarantined due to COVID-19 symptoms or diagnosis.
- If you learn you have been diagnosed with COVID-19, have symptoms, or have been exposed to COVID-19, please stay at home and notify professors and administration.

VIRTUAL ATTENDANCE AND ETIQUETTE GUIDELINES

ATTENDANCE REQUIRED

- 80% attendance is required for all online/virtual courses.
- Attendance tracking software will be used by the professor to track student attendance. The software also includes engagement tools to ensure ongoing student attendance in virtual classes.
- Students who do not respond to polls or other attendance and engagement measures used by the professor may be marked absent.

CLASS ABSENCES

- Excessive absences will result in **automatic administrative withdrawal** from a course.
- Students who miss a class session may have an opportunity to view a recording of the class within a given timeframe; however, the student may be required to submit an assignment or other proof that the recorded class was viewed, as determined by the professor.

REDUCE DISTRACTIONS

- Students should create an at-home environment conducive to learning (desk, lighting, etc.).
- Students should attempt to reduce distractions during class sessions to focus on class content and instruction.
- A student may be required to deactivate his or her camera if that student's background environment is inappropriate or distracting to other students or professor.
- If the student chooses to use a virtual background, it should be the least distracting background.
- A student may be removed from the classroom if that student's conduct is disrupting or distracting to the class.

DUTY TO REPORT

DUTY TO REPORT

All student, faculty, and staff are required to report to the administration:

- 1) a positive diagnosis for COVID-19;
- 2) exposure to someone who has tested positive for COVID-19; or
- 3) that he or she is suffering from COVID-19 symptoms (fever, cough, shortness of breath, loss of taste or smell).

Exposure means you have come in close contact (within 6 feet for 15 minutes or more) during the 48 hours prior to showing symptoms.

- FACULTY STAFF REPORT AT: **"EMPLOYEE COVID-19 REPORT FORM"** UNDER FACULTY & STAFF DROPDOWN ON WEBSITE.
- STUDENTS REPORT AT **"REPORT AN INCIDENT"** ON LAW CENTER WEBSITE UNDER STUDENT SERVICES.

WHAT HAPPENS WHEN YOU ARE EXPOSED TO COVID-19

Students, faculty, or staff members who reports that they have been exposed to COVID-19, or are suffering from COVID-19 symptoms, must quarantine for 14 days.

- Must wait at least 5 days after exposure/symptoms before testing.
- A student, faculty, or staff member CANNOT test out of quarantine. Must complete the entire 14-day quarantine.
- If it is confirmed that a student, faculty, or staff member who is quarantined due to exposure or symptoms has not contracted COVID-19, then he or she may return to the Law Center after the completion of the 14-day quarantine period.

WHAT HAPPENS WHEN YOU ARE DIAGNOSED WITH COVID-19

Students, faculty, or staff who receive a positive diagnosis for COVID-19 must self-isolate for at least 10 days. All positive cases must isolate for at least 10 days.

He or she may not return to SULC Campus until they:

- test negative for COVID-19;
- are no longer symptomatic;
- have had no fever for at least 24 hours without medication.

RECEIVING CLASSES DURING ISOLATION OR QUARANTINE

All in-person classes will be recorded so that students in isolation or quarantine may view the classes.

Students viewing recorded classes may be required to answer questions or complete other assignments to verify that they have viewed the recorded class in order to be marked present for that day.

IMPORTANT: While other students may be allowed to view recorded classes, only students who are in isolation or quarantine with permission or at the direction of the administration may receive credit for attendance for viewing recorded classes.

MULTIPLE DIAGNOSES OF COVID-19 IN CLASS

In the event there are multiple cases of COVID-19 diagnosed in an in-person section of a course, the administration reserves the right to convert the entire section to virtual instruction.

IN-PERSON ORGANIZATION EVENT GUIDELINES

ORGANIZATION IN-PERSON EVENTS

- All student events must be approved by the OSA.
- Attendance must be limited to allow for at least 4 feet of social distancing between each attendee.
- Attendees must wear masks and comply with all other safety rules.
- It is recommended that food be in the form of box lunches, with limited exceptions.

VACCINATIONS FOR COVID-19

VACCINATIONS

- The Law Center HAS NOT adopted a policy requiring students, faculty, and staff to be vaccinated prior to returning in the fall.
- However, vaccinations are *highly recommended* and *encouraged*.
- Studies show that COVID-19 vaccines are safe and effective at keeping you from getting COVID-19. Getting a COVID-19 vaccine will also help keep you from getting seriously ill even if you contract COVID-19.
- COVID-19 vaccination is an important tool to bring us closer to enjoying the activities you have missed.
- **ALL LAW CENTER STUDENTS, FACULTY, AND STAFF WILL CONFORM TO THE SAME COVID PROTOCOL, REGARDLESS OF VACCINATION STATUS.**

BENEFITS OF VACCINATIONS

- Students, faculty, and staff are encouraged to get vaccinated:
 - to allow for fewer cases of COVID-19 at the Law Center, and overall safety of the Law Center environment;
 - to allow for more in-person events, such as graduation, study groups, student events, seated dining, etc.;
 - to have fewer disruptions to class attendance from isolations and quarantines; and
 - to allow for more increased interactions, in general, among students, faculty, and staff.
- For information on vaccine sites: <https://www.vaccines.gov/>

Those not fully vaccinated account for...

90%

of cases from 7/15 to 7/21

85%

of deaths from 7/15 to 7/21

90%

of current COVID hospitalizations

HOW TO GET VACCINATED

- To find a place to get vaccinated visit: <https://www.vaccines.gov/> There you can enter your zip code and the type of vaccine you would like, and vaccine locations will be listed.
- You can also visit this link for vaccine locations: <https://ldh.la.gov/COVIDvaccine-locations>

WHITE HOUSE VACCINE CHALLENGE

The Law Center has joined the White House Vaccine Challenge and has taken the pledge to keep our students, faculty, and staff safe through various programs, events, messaging, and incentives encouraging the Law Center family to get vaccinated against COVID-19. We believe we can achieve over a **90% voluntary vaccination rate** at the Law Center with the cooperation of the entire student body, faculty, and staff.

VACCINE AWARENESS PROGRAM

The Law Center will sponsor a Vaccine Awareness Program that will take place on **Friday, August 27, 2021**, at **12:00pm**. Hear from speakers about vaccine safety and effectiveness, hear from people whose lives have been affected by COVID-19 and get motivated to get vaccinated. That week's drawing will also take place at the event.

STUDENT VACCINE AMBASSADORS

All organization presidents, SBA, and student leaders, are encouraged to be ambassadors for getting vaccinated. Ambassadors will encourage classmates and constituents to getting vaccinated, plan and assist with vaccine programs, disseminate reliable vaccine information, and be an example to other students to get vaccinated.

ORGANIZATION VACCINE CHALLENGE

- All organizations are challenged to get 100% vaccination rates among their student organizations.
- An Organization Recognition Event will be held on campus on **Friday, September 17, 2021**, at **12:00PM** to recognize all organizations with 100% vaccination rates among their membership.
- Winning organizations will receive t-shirts and priority for scheduling in-person events and meetings. Drawings for fifteen (15) \$150 gift cards, and five (5) swag bags from among members of winning organizations.

RULES FOR VACCINE INCENTIVE CAMPAIGN

1. The purpose of the drawing is to serve as an incentive for students to be vaccinated against COVID-19 for the protection and wellbeing of SULC students, faculty, and staff.
2. By signing up on this form you agree to have your name entered into a drawing to win prizes for students who have been vaccinated against COVID-19 (Moderna, Pfizer, or the Johnson & Johnson vaccine).
3. You are not required to disclose your vaccination status or to get vaccinated to attend SULC. Participation is voluntary and no adverse action will be taken against a student who chooses not to be vaccinated.
4. The information provided will not be shared. However, your name will be made public if you win.
5. You may only win once.
6. Vaccination will be verified prior to claiming the prize. You must be vaccinated and registered prior to 11:59 PM on the published cutoff date to be eligible to win for that week.
7. While you may register after only one dose of a vaccine, you must get both doses of Moderna or Pfizer before the prize can be claimed.
8. You need only sign up once to be entered into all drawings. If you do not win one week, your name will automatically be entered into subsequent drawings.
9. Sign up only once. Duplicate entries will be automatically deleted.
10. Both virtual and in-person students are eligible to participate.

OTHER INFORMATION

VISITORS

Visitors to the Law Center must fully comply with all COVID-19 protocols for the safety of the visitors, students, faculty, and staff.

If you plan to visit the Law Center and have questions about the COVID-19 protocol, please contact dparker@sulc.edu.

FLU SHOTS

It is recommended that all students, faculty, and staff get flu shots this fall to help reduce the number of individuals with symptoms that may be attributed to COVID-19 and to reduce the strain on the healthcare system.

SUPPORT COUNSELING

- Support counseling services will be provided to students to address emotional or psychological issues resulting from impact of the pandemic. Please contact the Mental Health Therapist, Gina Signorelli at GSignorelli@sulc.edu.
- All student accommodation issues should be handled through Dorothy Parker at dparker@sulc.edu.
